

Statement of Support and Organizational Affiliation

Mission

The Texas Coalition to Abolish the Death Penalty (TCADP) is a statewide, grassroots membership organization working to end the death penalty in Texas. TCADP engages in outreach, education, and advocacy aimed at raising awareness of issues related to the death penalty and mobilizing the citizens of Texas - and their elected officials - to support abolition. We invite your organization to stand with us on this issue.

Background

Over the last 15 years, there has been a consistent downward trend in the number of new death sentences across the country and in Texas. Texans are moving away from the death penalty in recognition that

- The death penalty costs millions of dollars of county and state resources;
- The death penalty does not deter crime;
- The death penalty is imposed in an arbitrary and discriminatory manner;
- 155 people have been released from death rows nationwide due to evidence of their wrongful conviction; this includes 13 in people in Texas;
- There is increasing evidence that there have been wrongful executions; and
- The State of Texas has alternative sentences that punish the truly guilty and protect society without resorting to the death penalty.

Statement of Support

By signing below, we join the Texas Coalition to Abolish the Death Penalty (TCADP) and others in publicly supporting their efforts to abolish the death penalty in our state. We recognize that the sole mission of TCADP is to repeal the death penalty in Texas. We understand that our organization will be listed as a supporter of TCADP and its mission on the TCADP website and in other publications. We agree to inform our members of our affiliation with this campaign and invite them to be active participants.
