A Project of TCADP

Welcome to Texas CCATDP's January 2024 newsletter!

Dear friend,

As pro-life conservatives, we respect the dignity and inherent worth of every person. And as Americans, we recognize life as an unalienable right upon which our very nation was founded. But if we are truly committed to protecting the sanctity of life, we must uphold these values, unconditionally, for the totality of life – from the innocent child in the womb to the person on death row guilty of a heinous crime.

That's why we're kicking off 2024 with a variety of resources, projects, and events related to Sanctity of Human Life Month. From marching with us at a pro-life rally to sending a letter to your representative and more, there are so many ways to get involved.

I hope you'll join us throughout the month of January as we honor the culture of life we've worked so hard to build in Texas and advocate for real public safety solutions that will keep our communities safe.

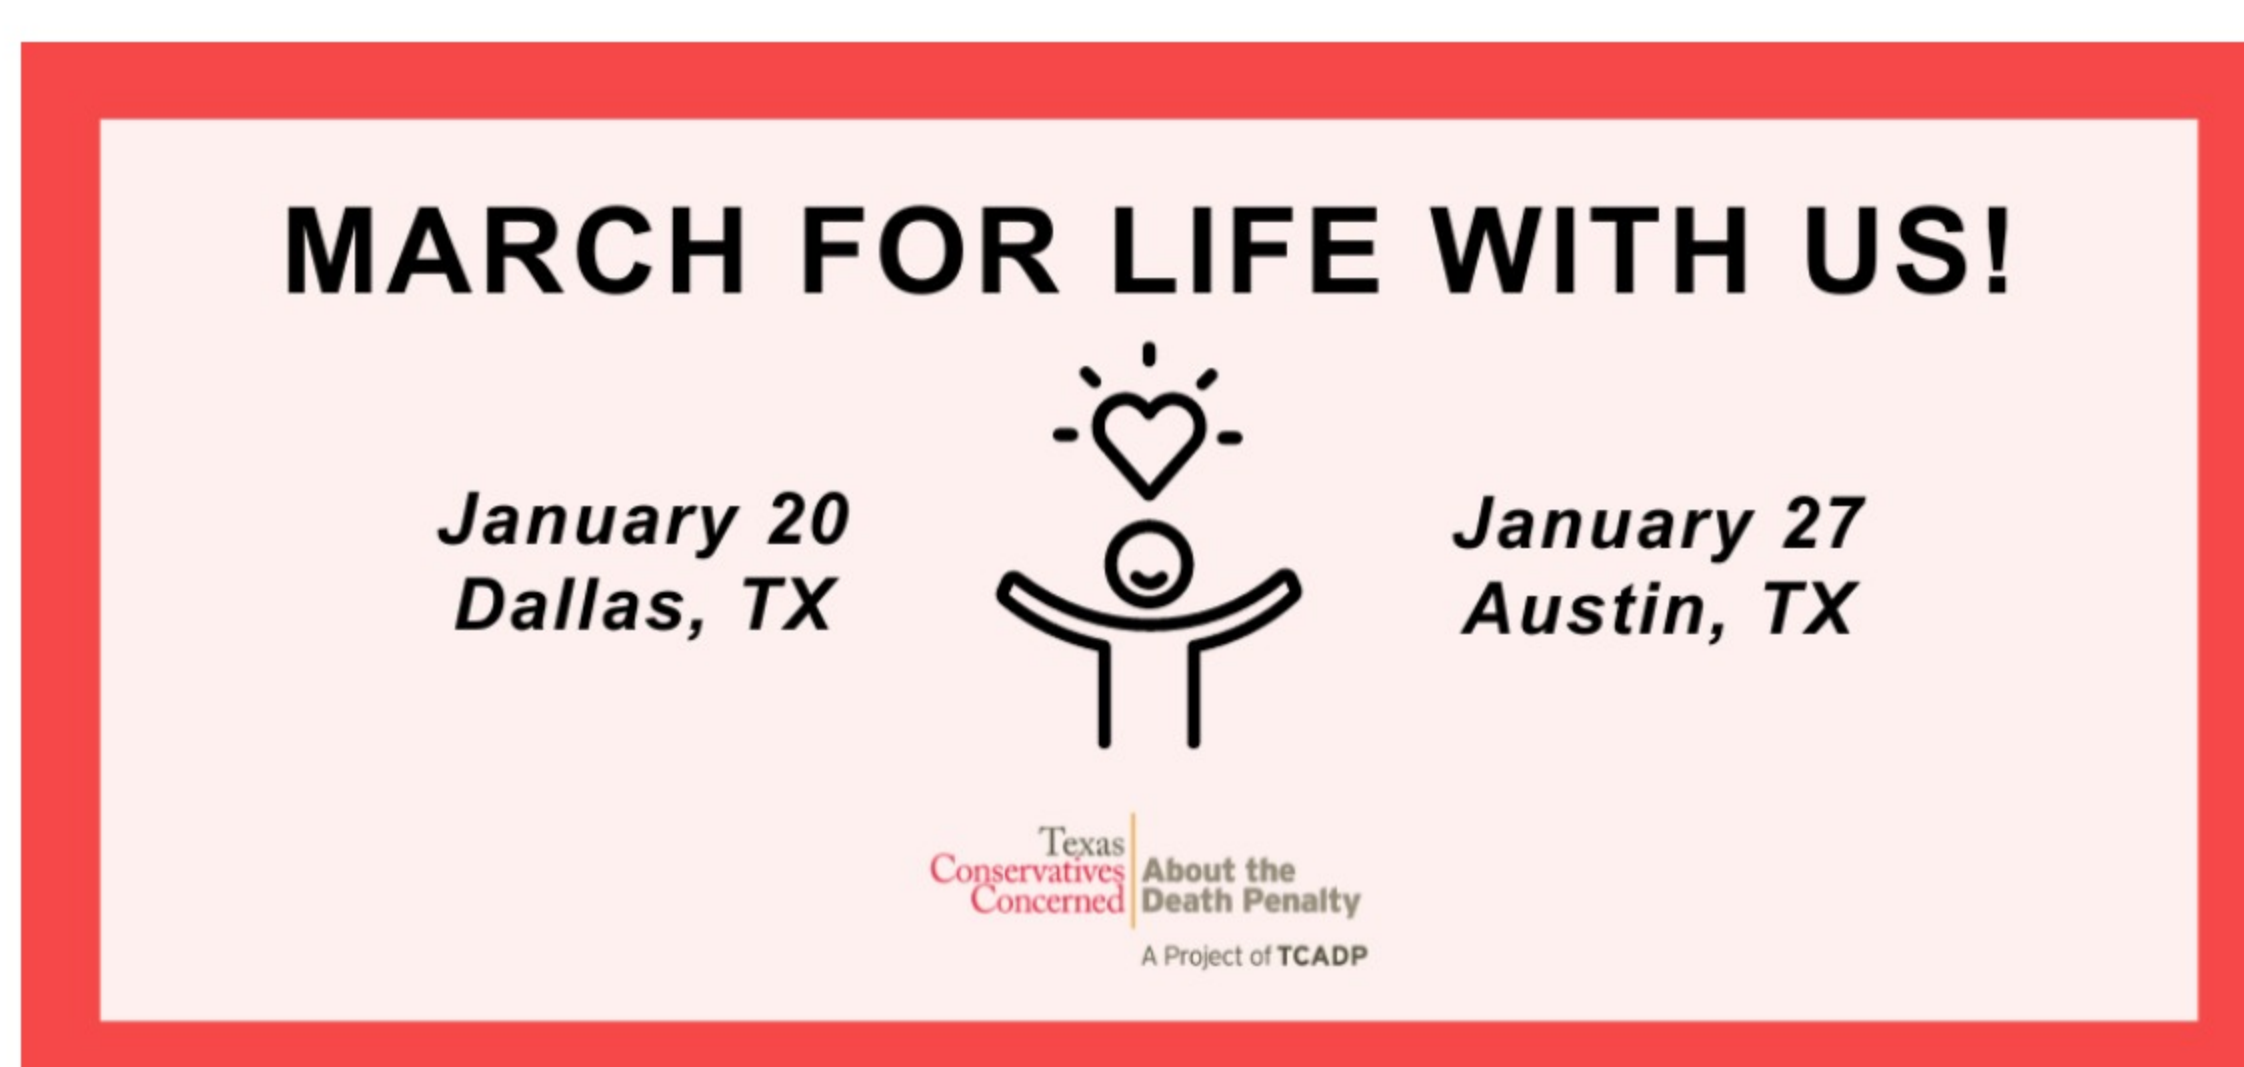

Thank you for your continued support.

Sincerely,

Nan Tolson
